Homeownership Survey

RBC Royal Bank's 13th Annual Homeownership Survey says a record 90 per cent of Canadians, the highest level since 1998, say buying a home is a good investment.

RE/MAX Condominium Report, 2006

Condominiums have clearly found a place in the residential housing mix. The concept has not only gained acceptance in the marketplace, it has become a sought-after alternative to single detached homes.
